***A Window of Opportunity in China!***

Windee World in front of a stack of Chinese Bibles

The Great Wall of China

Bible distribution in a church in China

**Miracles do happen!** Thanks to wonderful ministry partnerships, Karyl (Windee World) was part of a Bible distribution team that helped to distribute many Chinese Bibles in Chinese churches this summer. Everywhere we went, churches were full of happy, smiling people who waited for hours to get their own copy of the Word of God! They sang and worshipped the Lord, they listened intently to our greetings and our testimonies, they hugged us, they laughed with us, and they cried when we left! It was an amazing experience to have fellowship with believers in China! The Bibles we distributed were printed in China and legally approved. Millions of Bibles are printed legally in China every year for the Chinese Church.

Chinese believers in registered churches rejoice to receive their own copy of the Bible!  
 Many Chinese Christians cannot afford to purchase a Bible.

In the Bible, “Jesus said, ‘Let the little children come to Me, and do not hinder them, for the Kingdom of Heaven belongs to such as these.’” (Matthew 19:14) In China, it is against the law to evangelize children under the age of 18. Some parents have to bring their children to church with them, yet there are often no classes or activities for the children. Chinese Christians would like their children to be able to read and learn the Bible when they come to church. Please pray that within the church of China there would be room for children to read the Bible and learn about Jesus when their parents and family come to church. Pray for the development of Sunday School for the children of Christians in China (approval for curriculum, teachers, and classes).

“Lift up your heads, O you gates; be lifted up, you ancient doors, that the King of glory may come in.” (Psalm 24:9)
